

REMARKS/ARGUMENTS

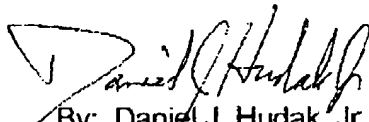

Claims 1 through 14 are pending in the application. Claims 1 through 6 have been amended in order to further define the invention. No new matter has been added. Claims 7-12 drawn to the non-elected invention have been cancelled.

The claims and specification have been amended where appropriate to define that the percentages set forth for the flavones are weight percentages. The percentages of weight are set forth throughout the specification such as in the examples, especially case 2 beginning in the last paragraph of page 5 and continuing on page 6 wherein the crude flavones extract A is indicated as being 20 grams containing 45.8% flavones which are predominately icariin and icariin I.

Should the Examiner have any questions or concerns regarding this response, a telephone call to the undersigned is greatly appreciated.

Respectfully submitted,
